### Footcandy

» Packed with such lines as Christian Louboutin, Manolo Blahnik, Jimmy Choo, Giuseppe Zanotti, and Casadei, the new Brentwood shop Footcandy could be the brain-child of Imelda Marcos. Each shoe is displayed in its own cubbyhole as if it were art. The store offers party packages, like the "Romance Your 'Sole' Mate," which includes private shopping for two, champagne, and dinner at a neighborhood restaurant. » 11934 San Vicente Blvd., Brentwood, 310-820-4800.
